Dear Parent/Carer

In Design Technology this year we will be covering a number of exciting projects in all year groups. After a lot of thought and discussion it has been decided that instead of charging the children for individual projects and collecting the money in dribs and drabs during, or at the end of each project, a one off payment will be requested in the first term to cover all projects undertaken. This will enable pupils to take their finished projects home immediately after completion. The payment will help towards the costs of materials for both textiles and resistant materials and also the basic cooking ingredients. It will not, however, cover the cost of the additional cookery ingredients required and for the pupils' individually designed final products.

Although this payment is desirable, non-payment will not prevent any child from participating in DT lessons, finished products will be recycled for future use if unpaid for.

The cost per pupil is as follows:

Year 5 pupil	£4.00
Year 6 pupil	£6.00
Year 7 pupil	£8.00
Year 8 pupil	£10.00

Please make a payment via Parent Pay. Alternatively bring the money in a clearly labelled envelope and hand it in at registration. Please make payments by **Friday 6 October 2017**, at the latest.

Thank you for all your continuing support.

Yours sincerely

David Carter
 Leader of Design Technology

DESIGN TECHNOLOGY PAYMENT 2017/18

Dear Mr Carter

Please find enclosed the D&T Payment of £..... for my child
 in class

Signed Parent/Carer
