Dear Parent/Carer

Happy New Year!

I have recently been invited to take on the interim Headship of both Royston Middle Schools as part of a plan spanning the next two terms. I feel privileged to have been offered this interim role and the responsibilities that go with it. I would like to take this opportunity to introduce myself and request your feedback on Roysia Middle School.

I have been Headteacher at Greneway Middle School, Royston for five years now and have worked at Greneway for the last fifteen years. Within this time, I was seconded for five years to the University of Cambridge and lectured on the Primary and Middle Years Postgraduate Certificate in Education (PGCE) courses, completed my Masters in Education (MEd) and achieved my National Professional Qualification for Headship (NPQH). I am passionate about the middle years and I am looking forward to getting to know Roysia as a middle school.

I would like to encourage you to share your views on the Ofsted Parent View website to help give a parent perspective on Roysia. Parent View features 12 questions that cover a range of aspects of your child's school, for example, would you recommend the school. The survey can be accessed via the following weblink - www.parentview.ofsted.gov.uk. Thank you for taking the time to share your views.

On a day to day basis, Mrs Jandu will be responsible for the leadership and management of Roysia School and we will work closely to maintain the ethos of Roysia while driving continuous reflection and improvement to ensure the highest standards of learning and achievement for all pupils.

I look forward to working with you to give your children the best possible teaching and learning experiences during their important middle school years.

Yours sincerely

Laura Rawlings
Interim Headteacher
