REMINDER

School is closed on Monday 31 October for Staff Training

The big event of the fortnight was our Open Day and Evening on Tuesday 4 October. We once again welcomed year 4 pupils and their parents and carers for guided tours around the school in the morning. Mrs Jandu and I were assisted by some of our year 8 pupils who did a very professional job of showing our visitors their school. They were very impressed by their guides. Well done and thank you to Priya, Harley, Rachel and Will. You were superb representatives for the school!

Open Evening began with our Choir showing their range and versatility by performing two very different songs – ‘Bear Necessities’ and the ‘Skye Boat Song’. After the presentation, over 100 of our pupils joined their teachers in helping to showcase their subjects and give a flavour of life at Roysia. I really enjoyed touring the school myself and was immensely proud of them all.

I need to thank four pupils in particular – Phoebe Wilcox and Garner Heath in year 5, and Imogen Conomy and Jake Grimes in year 8. These four wrote, rehearsed and delivered speeches explaining their perspective on Roysia, clearly and confidently. It was difficult to believe that Phoebe and Garner only joined us in September or that Jake and Imogen are only 12 years old. They were brilliant.

Many thanks to all our pupils for their assistance and to their parents and carers for dropping off and picking up their children. They were a credit to us all.

School life is usually a happy time for most children, but for some, from time to time, things can be tough. If your son/daughter needs an adult in school to talk to, please remind them that their Class Teacher or Leaders of Key Stages is happy to listen to them. CONSTABULARY

Dear Parent,

Police are aware of the parking issues around Roysia/Roman Way Schools. If you aren't already aware you **cannot** park;

On double yellow lines. (Disabled badge holders can park on double yellows for 3 hours).

Too close to a junction. Do not park opposite a junction, or within 10 metres of a junction (This may be classed as unnecessary obstruction, for which you can be issued a non-endorceable fixed penalty notice).

Up on a footpath. It is a specific offence under the Town and Police Clauses Act to drive on a pavement. (Please be aware that the path/grass area at the front of the schools is where the children walk and is a dangerous place to park as it blocks visibility).

Blocking dropped kerbs. (Can be ticketed as an obstruction).

Blocking resident's drives. This is also an obstruction, and causes untold frustration for the residents.

We will issue tickets against repeat offenders where appropriate.

The council have also been made aware.

Kind regards,

PCSO Robyn Allen,
Royston Police Station.
