The final term begins! Hasn't time flown? The summer term, as always, is looking very busy. For year 6, their SATs are approaching fast – their first is on Monday 9 May and that week will end with our school disco on Friday 13 May. Good luck, year 6! They have been working very hard in preparation so all they need to do now is their best.

Roysia staff are also busy organising a vast range of events to enrich the pupils' learning experience. Rehearsals for "Into the Woods" are going well – performances will be 6 and 7 July. Coming up: Creative Thinking Week, STEM (Science, Technology, Engineering and Maths) Day, Healthy Living Day and Sports Day are amongst the many activities that we have planned for the whole school! Each year group will also be enjoying curriculum enrichment activities to support their learning across their subjects.

Last Thursday we welcomed children in years 3 and 4 from our St Mary's, Tannery Drift and Roman Way schools for a tag rugby event on the school field. With the lovely weather, superb leadership from Roysia's year 8 sports leaders and the enthusiasm of our young visitors, the day was a resounding success. Many thanks to the School Sports Partnership for their organisation and management of the event.

LOST PROPERTY

We still have a stockpile of lost property. Please check with your child for any missing items - this is the last chance to find and claim items before we send them to the charity shop.

ABSENCES

It is the responsibility of the parents/carers to contact the school before 10.00am on every morning of a pupil's absence.

All absences remain unauthorised until such time that the school receives verbal/written confirmation from the parent/carer. This is kept as evidence for future reference.

MARATHON MAGIC

Congratulations to our Teaching Assistant, Miss Bass for finishing the London Marathon in 4hr 32min!

AYLMERTON PICTURE DVD

A HUGE thank you to all the Year 5 parents who purchased a copy of the Aylmerton picture CD. We raised over £80 in total. This will soon be on its way to the Seal & Bird Rescue Trust. If you would like to find out more about the Trust, log on to their website: http://www.sealbirdrescuetrust.co.uk/sbrt_home.htm.

SPORTS AT ROYSTON

Tag Rugby

On the 21 April Roysia hosted the 'First Schools Tag Rugby Tournament' welcoming over 250 pupils from the local area. Our Y8 Sports Leaders and helpers were put to the task of managing a team each and as you can see, were very enthusiastic to help the children do their best. Well done Year 8's, you represented the school fantastically.

After School Clubs.

Last week saw the beginning of the After Schools Clubs and we welcomed instructors from the local BMX Club and Parkour club who delivered superb sessions to our students. Unfortunately the Parkour Club is at maximum capacity, however there are spaces available for your child to come along to the BMX club on Thursdays after school until 4:45. Please inform the office if you would like to take up this free opportunity.
