This week, year 6 rehearsed their SATs so that they will know exactly what to expect in May and their teachers have reported that they took it all in their stride – well done year 6. The ‘real thing’ will be 11-14 May 2015.

Last week saw year 8 perform their unique interpretation of William Shakespeare’s ‘Macbeth’. Year 8 worked hard to produce the play in just 4 days, including learning some tricky Shakespearean language. Bravo, year 8! Thanks must go to Anthony Glenn and Mr Streeter for their support and guidance of year 8.

Next week:

- year 5 travel to The Barbican, London to be part of the massed choir in a concert staged in aid of the charity ‘Barnardo’s’;
- our year 8 technologists compete for the Rotary Club Technology Challenge Trophy. Good Luck!

MACBETH

On Friday 23 January 2015, at Roysia Middle School, Year 8 performed ‘The Scottish Play’.

During the week leading up to the performance the pupils all endeavoured greatly to learn a huge amount of Shakespearean dialogue, which was interspersed and woven into a tremendous mix of dancing, adverts and freeze frames.

There were a number of outstanding performances both from the pupils and also from Anthony Glenn (producer and director).

Everyone should feel rightfully proud of the finished performance, which actually only took three days to create.

Well done to everyone who took part!

Leader of English
