Sports Relief.

On Friday 18th March Roysia pupils came out in force to help raise money for Sports Relief. Through Caitlyn's cake sales, fruit skewers, penalty shoot-out and a sponsored event we managed to raise a staggering £1034 for Sports relief. In not especially warm conditions the pupils and teachers attempted either a 1 mile run, 2 mile walk, 5 mile cycle or a duathlon of the run followed by the cycle. Their commitment and enthusiasm was great to see as many completed over triple the distance that they had set their target at, even Miss Linington surpassed her expectations to complete a lap of the field, under the watchful eye of Elleanne Keen (PT instructor extraordinaire). However the highlight of the day had to be the great comeback and spirit shown by the Teachers in the dodgeball match v Year 8. The power of Super Smith, agility of Courageous Clark and the experience of Weaving Wheeler meant they had no chance. Well done to everyone for a great day and helping to raise money for Sports Relief, special mentions to Rose Norbury, Rachel Albone, Will Marsden, for their contributions.
