### Indoor Athletics Y5/6

On the 26<sup>th</sup> January we took a squad of 18 Y5 and 6's to compete in an Indoor Athletics tournament at Freman College. The team showed great levels of fitness and ability when competing against students from larger schools and finished a very creditable 4<sup>th</sup> out of 6 schools, showing great resilience along the way.

### Indoor Athletics Y7/8

Year 7/8 Boys and Girls competed in their Indoor Athletic tournament on the 3<sup>rd</sup> February. The Year 8 boys were well represented and the Year 7/8 Girls formed an alliance and competed together in the Year 8 competition. The track distances were a lot further than the younger year's tournament and required a great deal of resilience to complete event after event with small teams. In the girls tournament, despite an injury to one of the athletes, it was great to see the rest of the team pulling together to ensure we were represented in each event, led by Jessica Wagstaff and Shayla. Ciaran King and Matthew Richmond were the sole representatives for the Y7 team and were a credit for their enthusiasm. The Year 8 Boys had great success in the field and also in the track events, led by Alex Campbell who dominated the sprint events, eventually ending up in a team Silver.

### Year 7 Football

Last week Y7 had the first game in the North East Herts Boys Football League against Edwinstree. With only a few practices completed and a focus on the defence, the team did very well to halt Edwinstree's progress with Harvey Wright doing exceedingly well at the centre of defence of commanding his fellow defenders. Coby Green pulled off some great saves in goal and was extremely unlucky as two of their goals were ricochets off the bar. We lost the game 6-1, but plenty of hope for the next couple of games as they continue to try and improve their teamwork.
