

On the 21st April Roysia hosted the 'First Schools Tag Rugby Tournament' welcoming over 250 pupils from the local area. Our Y8 Sports Leaders and helpers were put to the task of managing a team each, and as you can see, were very enthusiastic to help the children do their best. Well done Year 8's, you represented the school fantastically.

After School Clubs.

Last week saw the beginning of the After Schools Clubs and we welcomed instructors from the local BMX Club and Parkour club who delivered superb sessions to our students. Unfortunately the Parkour Club is at maximum capacity, however there are spaces available for your child to come along to the BMX club on Thursdays after school until 4:45. Please inform the office if you would like to take up this free opportunity.
