Dear Parents/Carers

SCHOOL UNIFORM SUPPLIER

As some of you may already be aware the National Schoolwear Centre in Letchworth is to cease trading at the end of this year due to retirement. We have therefore been looking at an alternative supplier with our colleagues in the Academy.

Due to the proximity in the town, and as Meridian already have experience of their service, we have decided to proceed with **Schoolyard** as our new supplier who is located on the industrial estate at Jarman Way, Royston. The company offers an on-line service with delivery to home or school or you can collect direct. You can also visit their unit on site to assess sizes but they are not a shop as before.

The service commences on Monday 10 October, when the Schoolyard web site will have a dedicated area for Roysia parents to order on-line. In the meantime please find enclosed a price list for the uniform available.

As indicated in the last Roysia Review, the National Schoolwear Centre is now running down their stock and offering 30% discount on many items so you may wish to take advantage to stock up.

We hope this will be a smooth transition for parents.

Yours sincerely

Z J Linington
Headteacher
